

Wheelabrator Technologies

COMMUNITY OPEN HOUSE

WHEELABRATORS MILLBURY AND SHREWSBURY WOULD LIKE TO INVITE YOU FOR A VISIT

AT WHEELABRATOR MILLBURY, WE UTILIZE WASTE AS A FUEL TO GENERATE 45 MEGAWATTS OF CLEAN, RENEWABLE ENERGY FOR THE LOCAL COMMUNITY, ENOUGH TO POWER 47,000 MILLBURY-AREA HOMES. THE REMAINING ASH RESIDUE IS TAKEN TO OUR WHEELABRATOR SHREWSBURY MONOFILL FOR ADVANCED METALS RECOVERY, RECYCLING AND DISPOSAL.

WEDNESDAY

JULY 27

10 A.M. – NOON

331 SOUTHWEST CUTOFF ROAD
MILLBURY, MA

Tour the renewable energy-from-waste facility | Tour the ash monofill
Meet the facility managers | Light refreshments

RSVP to Operations Specialist Erin Lloyd at elloyd@wtienergy.com by July 13
